Parent Overviews:

Hedgehogs and Squirrels complete a topic every half term. We are currently on a three-year rolling programme meaning the children do not repeat any topic before progressing to KS2.

Topic = All Around Us

What to bring:

- Water bottle
- Lunchbox (if not having hot dinners)
- Snack
- Coats
- Hat
- School reading book and reading record
- No toys

Reading:

-Library books (changed once a week)
-Reading books (2 books changed once/twice a week)
-Phonics books

Homework:

- Reading
- Mental math (Year Is)
- Topic related activities

PHASE 3

Target 3 - I can add and subtract 10 from any 2-digit and 3-digit number

To help you with your Maths target, practise these facts **every day.**
It will also be useful to play other games etc at home focusing on your target.
As a guide, children should be able to answer 20 questions in a minute.
