

History

I will be...

- able to explain how some people have helped us to have better lives (the life of Neil Armstrong/Tim Peake)
- able to identify events beyond living memory: the moon landing
- able to identify the lives of significant individuals such as Neil Armstrong and Valentina Tereshkova
- able to use vocabulary to describe events from the past.
- Learning about space travel over time.

English

I will be learning to...

- Retell and Write our own meeting tale based on text we read. Write sentences by saying out loud what we are going to write about.
- Reread our writing to check it makes sense.
- Leave spaces between words.
- Punctuate sentences using a capital letter and a full stop. Use capital letters for names and for the personal pronoun I.
- Begin to punctuate sentences using a question mark or exclamation mark.
- Continue to use our phonic sounds from set 1, 2 and 3
- Read a range of text, poems and non fiction books.

Art

I will be learning to...

- Explore colour, texture, shape and form in two and three dimensions.
- Use different paint techniques to create work linked to the topic of space.
- Create representations of the Northern Lights and Star.
- Explore the work of Van Gogh (Starry Night)

PSHE

I will be learning...

- to identify and sort ways to keep safe
- ways to keep my body safe
- to identify people who help keep us safe
- about safe and unsafe touches
- about medicine safety
- how to stay safe online

To infinity and beyond...

Hedgehogs

Spring Term 1

Year 1

Maths

I will be learning to ...

- Understand place value of numbers within 20
- Order and compare numbers to 20
- Add and subtract within 20
- Find and make number bonds (10 & 20)
- Double and halve numbers
- Solve missing number problems
- Subtract by counting back.

Science

I will be learning to...

- identify, name and describe materials linked to space theme
- work scientifically to;
 - ask simple scientific questions,
 - use simple equipment to make observations,
 - carry out simple tests,
 - suggest what I've found out
- identify the order of the planets in our solar system
- carry out a rocket investigation

Computing

To sort items on the computer using the "grouping" activities in PurpleMash.

To understand that data can be represented in picture formats – creating pictograms.

Music

To explore the difference in spikey and smooth in the context of music (Staccato and legato) To come up with simple patterns using drums and percussion instruments.

Books

Beegu

Aliens love underpants

The Way Back Home

Whatever Next

Penguinaut

PE

Dance / Games

I will be learning to...

- Perform dances using simple movement patterns and changes in direction
- Work together with a partner to create Space themed dances routines.
